- ☐ **Silver Tongues:** Each PC may add +1 action rating to Command, Consort, or Sway (up to a max rating of 3).
- ☐ **Accord:** Sometimes friends are as good as public support. You may count up to three +3 squad and/or faction statuses you hold as if they are heart.
- ☐ **High Society:** It's all about who you know. Take +1 Trust during downtime with your Patron faction or hiring faction, and +1d to gather info about the region's elite.
- ☐ **Friends in High Places:** take +1d when making a supply roll. This gives Independent squads a 0d supply roll during reward if they don't already have one.
- ☐ **Noble Officer:** take +1d when challenging someone to a duel. Take +1d when fighting against your duel opponent.
- ☐ **PR Campaign:** Pilots and Cohorts take +1d when attacking someone's reputation, or to bolstering the reputation of the squad or one of its members.
- ☐ **Sponsor:** When you advance your Tier, it costs half the normal supply points. Who is your sponsor? Why do they help you?
- ☐ **Veteran:** Choose a special ability from another crew.

SQUAD XP

At the end of each session, for each item below, mark 1 xp (or instead mark 2xp if that item occurred multiple times).

- ♦ *Execute a successful negotiation, espionage, or propaganda operation.*
- ♦ *Face off against challenges above your pay grade.*
- ♦ *Bolster your squad's reputation or get a new one.*
- ♦ *Express the goals, inner conflict, or essential nature of the squad.*

SQUAD TYPE

SPECIAL ABILITIES

- ☐ **Dangerous:** Each PC may add +1 action rating to Hunt, Struggle, or Wreck (up to a max rating of 3).
- ☐ **Blood Brothers:** When you fight alongside your fire teams in combat, they get +1d for teamwork rolls (setup and group actions). All of your cohorts get the toughs type for free (if they're already toughs, add another type).
- ☐ **Shock & Awe:** When you execute an assault plan, take +1d to the engagement roll.
- ☐ **Fiends:** You may count each negative point of non-Patron relationship as if it was Heart up to a max of 3.
- ☐ **Forged in the Fire:** Each PC has been toughened by cruel experience. In combat you get +1d to resistance rolls and you exhaust 1 fewer Quirk for vehicle resistance.
- ☐ **Sponsor:** When you advance your Tier, it costs half the normal supply points. Who is your sponsor? Why do they help you?
- ☐ **War Dogs:** When you're in a vendetta (-3 squad status), your crew does not suffer -1 hold and pilots still get three downtime activities, instead of just two.
- ☐ **Veteran:** Choose a special ability from another crew.

LOGISTICS

SQUAD TYPE

SPECIAL ABILITIES

☐ **On the Move:** One vehicle gets a free 1d Upkeep roll. Get +1d to gather information about the route for the next mission.

☐ **All Hands:** During downtime, one of your cohorts may perform a downtime activity for the crew to acquire an asset, schmooze, or work on a long-term project.

☐ **Custom OS:** Your vehicles' systems make no sense to most. They are immune to hacking by anyone outside of the squad.

☐ **Just Passing Through:** During downtime, take +1 Trust with the Faction whose territory you're in at the start of Downtime.

When your Trust with the local Faction is 5 or more, you get +1d to deceive people when you pass yourselves off as civilians.

☐ **Leverage:** Your squad supplies contraband for all Factions. Your success is good for them. When you gain rep, gain +1 rep.

☐ **Scroungers:** When you use the Salvage downtime activity take +1d. Once per downtime phase the squad may ignore the requirement of scrapping a vehicle to perform the Salvage activity.

☐ **Renegades:** Each PC may add +1 action rating to Scan, Bombard, or Maneuver (up to a max rating of 3).

☐ **Veteran:** Choose a special ability from another crew.

SQUAD TYPE

SPECIAL ABILITIES

☐ **Fast and Furious:** Each PC may add +1 action rating to Maneuver, Manipulate, or Battle (up to a max rating of 3).

☐ **Scorched Earth:** The scale of your conflicts are large, very large, and that's tolerated. You don't lose trust when you cause property damage.

☐ **Reavers:** When you push yourself while employing speed or aggression with a vehicle action roll you only exhaust a Quirk if your result is 4 or higher.

☐ **Formation:** When a group vehicle action is taken, every participant can choose to spend 1 stress. If they do, they get +1d.

☐ **Custom Work:** take +1d to Engineer actions on your own vehicle.

☐ **Combined Arms:** when you assist a pilot using a drastically different type of vehicle than your own (or you are infantry assisting a vehicle or a vehicle assisting infantry) you may select the same benefit multiple times.

☐ **Air Superiority:** If you or your allies have the only active aircraft in the area, take improved position on all vehicle actions.

- ☐ **Corner Kid:** Each PC may add +1 action rating to Sway, Struggle, Survey (up to a max rating of 3)
- ☐ **Barter:** you can spend Supply Points equal to the total number of Ticks in your Drive clocks (min 1) to add 1 tick to a Drive clock.
- ☐ **The Good Stuff:** Your merchandise is exquisite. The product quality is equal to your Tier+2. When you deal with a squad or faction, the GM will tell you who among them is hooked on your product (one, a few, many, or all).
- ☐ **App Market:** Somehow you have discovered how to prepare your product for sale to Apps and/or Als. They do not pay in cash. What do they pay with?
- ☐ **Of The People:** Take improved position when acting against those who want what you are selling, and +1d to gather info about where your product is most wanted.
- ☐ **Hooked:** Your Cohorts use your product. Add the brutal, unreliable, or wild flaw to your Fire Teams to give them +1 quality.
- ☐ **Sponsor:** When you advance your Tier, it costs half the normal supply points. Who is your sponsor? Why do they help you?

RESEARCH & DEVELOPMENT

SQUAD TYPE

SPECIAL ABILITIES

- ☐ **Graduate:** Each Pilot may add +1 action rating to Interface, Study, or Sway (up to a max rating of 3).
- ☐ **Grounded:** Take +1d to resist rolls (or exhaust one fewer Quirk) for AR threats. Take +1d to Recovery when you have AR harm.
- ☐ **Experimental Comms:** You may use teamwork with your squad at any distance. Spend 1 stress to speak to your squad.
- ☐ **Conviction:** Each PC gains the tragedy: Experimentation. When you Cut Loose through experimentation and gather data, you don't overindulge if you clear excess stress. In addition, your theories give you +1d on one action roll, until you cut loose again.
- ☐ **Dire Assistance:** Your squad has a powerful, chained AI. It can be very useful but the desires and morals of an AI are opaque.
- ☐ **Irons In The Fire:** When you work on long term projects and have multiple incomplete projects, you get +1d but must split the resulting ticks between the projects as evenly as possible.
- ☐ **For The Greater Good:** Your cohorts will undertake any service, no matter how dangerous or strange. They gain +1d to rolls against those who would attempt to halt progress.
- ☐ **Veteran:** Choose a special ability from another crew.

SPECIAL ABILITIES

☐ **Everyone Steals:** Each PC may add +1 action rating to Prowl, Finesse, or Survey (up to a max rating of 3).

☐ **AR Echoes:** From weird experience or strange technology, all squad members gain the ability to see and interact with the AR that would normally be hidden from sight because it is private or offline.

☐ **Pack Rats:** Your FOB is a jumble of... requisitioned items. When you roll to acquire an asset, take +1d.

☐ **Sponsor:** When you advance your Tier, it costs half the normal supply points. Who is your sponsor? Why do they help you?

☐ **Second Story:** When you execute a clandestine infiltration, you get +1d to the engagement roll.

☐ **Slippery:** When you roll entanglements, roll twice and keep the one you want. When you Schmooze, take +1d.
