

BEAST OF SUCKER CREEK

FIASCO

BEAST OF
SUCKER CREEK

FIASCO

For hundreds of years, reports of blood-chilling cries in the night and occasional sightings of the Beast have been a fixture of local gossip. Is it a hoax? A crazed bear? Something strange and wholly new to science? No one knows, but those who have crossed paths with it are convinced of one thing—the Beast of Sucker Creek is real, and you don't want to make it angry.
