REGINA'S  
WEDDING

**FIASCO**  
THE

Wedding bells are ringing, and Regina is finally tying the knot. She's found her soul mate, and the wedding is going to be a real event. Two big families, scads of bridesmaids, a metric keglod of groomsmen, a catered reception, the whole frilly white nine yards. Of course everyone has a past, and everyone has an agenda, and even the happiest occasion can become a social—and literal—battlefield.
