This PDF contains a personnel tracker for the *MASHED* RPG. Use this workbook if you want to maintain a detailed list of all of the player and non-player characters who live and work in the 8099th MASH. Of course, NPCs can come and go as frequently as you like; keeping such a detailed list is optional—only for those who want to do so.

Printing Instructions

Print all pages in portrait format, on 8.5” x 11” paper, at 100% size (do not select ‘shrink to fit’ or similar when printing), and double-sided.
