FAITH

The Cult of Ulric has its centre at Middenheim. Many Ulricans wear symbols depicting wolf heads or the Eternal Flame.

STRIFE

Not all Ulricans heed the word of Ar-Ulric. The Sons of Ulric believe themselves blood descendants of the god. They are fanatics who insist that one of them should be made the High Priest.

CHEER

The Cup of Cheer is a beloved icon of Middenheimer hospitality. Each year it is awarded to a venue in the city with a reputation for friendly welcomes and a lively atmosphere.
